

HUMAN DEVELOPMENT AND CHILD WELFARE

SEMESTER – I

PAPER-1

FULL MARKS – 100

Students are required to answer four questions selecting two from each group.

40 marks

10 marks Internal Assessment

Group - A

STATISTICS-I

1. Measures of central tendency- (Mean, Median, Mode).
2. Measures of variability, (The range, quartile, Average, deviation, standard deviation)
3. Hypothesis, Importance, limitation, types and characteristics.

Group - B

RESEARCH METHODOLOGY – I

40 marks

10 marks Internal Assessment

1. Science, Scientific methods, scientific approach.
2. Role of statistic in the research of Home Science.
3. Objective of Research – Explanation, control and predication.
4. Types of Research – Historical, Survey, Experimental, Case study, social Research, Participative Research.

PAPER – II

FULL MARKS – 100

Students are required to answer four questions selecting two from each group

40 marks

10 marks Internal Assessment.

Group – A

1. History and theories of Human Development – I
2. Freud's Psychoanalytic theory Freudian theory, new Freudian's cross cultural relevance, current status.
3. Learning theory.

(a) Pavlov, Watson, Skinner, Cross-culture, relevance and current status, of learning theory.

1. Cognitive development theory Jean piaget theory, cross-cultural relevance and current status.

SEMESTER – II

PAPER – VTH

FULL MARKS – 100.

40 marks

10 marks Internal Assessment.

Student are required to answer four questions selecting two from each: group.

group

Group- A

40 Marks

10 marks Internal Assessment.

STATISTICS – II

- 1) Pie chart
- 2) Histogram
- 3) Polygon
- 4) Normal distribution
- 5) Correlation- Types, merits and demerits.
- 6) Chi-square

Group- B

40 marks

10 marks Internal Assessment.

RESEARCH METHODOLOGY – II

- 1) Schedule
- 2) Interview, limitations, merits & demerits
- 3) Research design
- 4) Case study, limitations, merit & demerits
- 5) Observation, limitations, merit & demerits

40 marks

10 marks Internal Assessment.

Group- A

EARLY CHILDHOOD CARE AND EDUCATION –II

1. Concept of organization and administration of early childhood centers.
2. Building and equipment- location and site arrangement of rooms, Different type and size of rooms. Play ground, storage facilities, selection of different types of outdoor and indoor equipment.
